<p>GENBRUG & REPARATION</p> <p>Når danskere får deres tøj repareret, er det så oftest hos professionelle, eller gør de det oftest selv?</p> <p>Svar: Danskere reparer oftest selv Afhængigt af kilden</p> <p>Sko og fodtøj er udfordrende at reparere selv, og derfor bliver denne type produkter oftest repareret hos professionelle. Nogle produkttyper er ovenikøbet designet således, at de ikke kan repareres. Det kan være svært at reparere tøj uden at det kan ses. Derfor kan man bruge synlige og dekorative teknikker, når man giver sit gamle tøj en ny chance.</p>	<p>REUSE & REPAIR</p> <p>When Danes get their clothes repaired, do they usually have them repaired by professionals or do they usually do it themselves?</p> <p>Answer: Danes usually repair their clothes themselves Depending on the source</p> <p>Shoes and footwear are challenging to repair yourself, which is why these types of products are most often repaired by professionals. Some products are even designed so that they cannot be repaired, which is also a challenge. It can be difficult to repair clothing without it being visible. Therefore, you can use visible and decorative techniques when giving your old clothes a new chance.</p>
